

# Important information for people who use Spring House Medical Centre in Welwyn Garden City

**Do you use Spring House for health advice, but are registered with another GP surgery?**

From 1 July 2015, Spring House Medical Centre will only be able to treat patients who are **registered** with that practice.

Adults and children with minor illnesses and injuries can go to the Urgent Care Centre at the New QEII Hospital, across the road from Spring House. The Urgent Care Centre is open 24 hours a day, every day of the year. [www.newqeii.info](http://www.newqeii.info)

You can call **NHS 111** at any time of the day or night for urgent health advice. Calls are free and NHS 111 advisers will find the best service for your needs.
