

# Eyelash Growth Serum and Eyebrow Enhancing Serum

## Longer, Fuller, Thicker, Stronger, Healthier Lashes and Eyebrows in JUST 8 WEEKS - 100% NATURALLY!! For Women & Men.

Our **scientifically advanced** serum is specifically formulated to nourish and strengthen eyelashes by boosting the production of Keratin, the critical building block of our hair and nails.

**Serum** contains a potent blend of natural ingredients that work in synergy to produce lush, voluminous eyelashes; Myristoyl pentapeptide 17, pumpkin seed extract, collagen and hyaluron to name a few. Myristoyl pentapeptide 17 significantly stimulates the keratin genes responsible for eyelash growth, guides cell growth and growth factor secretion to thicken and enhance the appearance of eyelashes

- [Best Eyelash Serum](#)- Serum is specially formulated to accelerate the growth and enhance the fullness of eyelashes. With a potent blend of natural ingredients which strengthen, lengthen and thicken eyelashes, Spectaculash delivers dramatic, eye fluttering results in just 6-8 weeks.
- ?NOURISHING & REPLENISHING - Fortifies and conditions weak, damaged and brittle eyelashes. This advanced formulation stimulates the follicle cell, promoting new [lash growth](#) even in bare spots! Can also be used on eyebrows for spectacular results.
